### **2. Characteristic spirit and general objectives of the school**

#### **Mission Statement:**

*To instil a spirit of **intellectual enquiry** and academic **endeavour**  
To foster the desire for **participation and challenge**  
To build **individual and compassionate** young people of character*

Portmarnock Community School is a co-educational, multi-denominational post-primary school under the joint patronage of the Loreto Sisters, the Archbishop of Dublin and Dublin and Dún Laoghaire ETB (DDLETB).

Community Schools provide a comprehensive system of post-primary education open to all the children of the local community. An innovative approach to delivery of a wide-ranging curriculum contributes to the spiritual, moral, mental, physical and social well-being of students within their community. Community Schools may also provide for life-long learning within their local community through the provision of Adult Education programmes.

Our school was established under the Deed of Trust and opened in 1979 to meet the second level education needs of the town of Portmarnock. It was one of the first community schools to be built in Ireland.

The values of Dublin and Dún Laoghaire ETB as a multi-denominational State Body, and the inherited traditions, Christian values and founding intentions of the Archbishop of Dublin and the Loreto Sisters, are enshrined in the characteristic spirit and in the life of our school and are respected and cherished.

The core values of Portmarnock Community School are care, respect, community, inclusion, equality, justice and fairness. These values combine to provide and support an atmosphere which is conducive to excellence in teaching and learning. We endeavour to assist each student to reach their full potential in a calm, caring and creative environment.

Our values are reflected in how we live as a school community. The unique and intrinsic value of each member of the school community is recognised and respected. All are treated equally, regardless of race, gender, religion/belief, age, family status, marital status, and civil status, membership of the Traveller Community, sexual orientation, ability, disability or socio-economic status. All students are given equal opportunity for enrolment, in line with the Education (Admissions to School) Act (2018) construed in accordance with section 3 of the Equal Status Act 2000. Once enrolled, Portmarnock Community School provides all our students with equal opportunities to engage with the curriculum, school life and the local community.

Portmarnock Community School provides a safe physical and social environment that reinforces a sense of belonging to the school community and wider society. We strive to enable every student to realise their full potential regardless of any aspect of their identity, culture or background. Our school promotes a fully inclusive education which recognises the plurality of identities, beliefs and values held by students, parents and staff. We prepare open-minded and responsible citizens with a strong sense of shared values with a view to contributing to a just and fairer society.

Our school is multi-denominational where we welcome, respect and support students of all religions and beliefs. The provision of religious education, religious worship and the work of the Chaplain all combine to reflect the founding intention of the school, the school's mission statement and the needs of the students within the school. The characteristic spirit of the school finds practical expression through the provision of pastoral, liturgical and social outreach activities, as appropriate, for each student.

In Portmarnock Community School, we celebrate the partnership, collaboration and empathy which nurtures and develops our young people in a community where the essence of our ethos is care and respect for self, for others and for our environment.

## 17. Arrangements regarding students not attending religious instruction

For schools with Religious Patrons, it is accepted that the NCCA Religious Education Programme may form part of the core curriculum and where there are no elements of Religious Instruction or Worship, the exemption outlined in CL13/2018 does not apply.

Students attending Portmarnock Community School do not receive denominational Religious Instruction or Worship. Students in Portmarnock Community School follow the Junior Certificate and Leaving Certificate Programmes as set out by the National Council for Curriculum Assessment (NCCA).

Portmarnock Community School is a multi-denominational school and the Religious Education provided to our students is inclusive and focused on the pursuit of Knowledge, Skills and Understanding. The content prescribed in all of the Religion syllabuses is designed to cater for students of all faith traditions and students of none. It is intended to ensure that students are exposed to a broad range of religious traditions and to the non-religious interpretation of life. Portmarnock Community School does not provide Religious instruction from the perspective of any one particular religious or faith tradition.

The National Council for Curriculum and Assessment (NCCA) states:

***'Religious Education should ensure that students are exposed to a broad range of religious traditions and to the non-religious interpretation of life. It has a particular role to play in the curriculum in the promotion of tolerance and mutual understanding. It seeks to develop in students the skills needed to engage in meaningful dialogue with those of other, or of no, religious tradition.'***

The 1998 Education Act states that we must promote the spiritual and moral dimension of the student. This is the promise of holistic education – a promise to which the NCCA Religious Education Curriculum contributes uniquely. Religious Education has developed in such a way that it is open to all participants, contributing to the spiritual and moral development of students whatever their belief system: religious or secular. It promotes social cohesion and encourages tolerance and acceptance, allowing students to develop the skills and attitudes they need to engage positively, respectfully and constructively in a pluralist society.

This is in line with the Community and Comprehensive Schools' Model of Agreement and Deed of Trust and is in keeping with the ethos, vision and Mission Statement of Portmarnock Community School.

## Appendix 2

### **Admission Policy to the ASD Class**

This policy must be read in conjunction with and is part of the overall Admission Policy for Portmarnock Community School. The aim of Portmarnock Community School is to offer a positive meaningful educational experience to the student that allows them to develop to their full learning potential, in an environment that offers clarity, predictability and calm. After a period of time observing, assessing and interacting with the student, an Individual Education Plan will be developed following consultation with Parents/Guardians and with other relevant professional staff (e.g. NEPS Psychologist, Coordinator/Teacher(s) of Special Educational Needs/ASD, Occupational Therapist, School Principal/Deputy Principal etc.), as deemed appropriate.

The aim of the ASD class is to offer a specific learning environment with a mainstream post primary school. This setting facilitates optimum inclusion as part of the school community with access to mainstream educational activities that are available and that are deemed appropriate to the ongoing education of the student.

### **External Support Services**

Essential services are provided by the Health Service Executive (HSE). These services include Speech and Language Therapy, Occupational Therapy or Physiotherapy. The Board of Management at Portmarnock Community School has no function in accessing these services, but merely acts as a relevant conduit for their provision, where available and possible. Furthermore, Portmarnock Community School cannot guarantee any additional service or support that may be available to the student through the offices of the HSE. Portmarnock Community School does not have the resources to follow up on these services and it is a matter for the Parents alone to ensure that all such possible support services are being accessed and availed of.

### **Pre-enrolment**

**All applicants must have an assessed primary diagnosis of Autism/Autistic Spectrum Disorder. The assessment must be in line with the established DES criteria of DSM-V and ICD 10. All applications must be accompanied by an assessment, carried out by an Educational/Clinical Psychologist approved by the DES, recommending the applicant as suitable.**

A prospective student for the ASD class must have a professional recommendation, from a NEPS Psychologist, Clinical Psychologist, Educational Psychologist, Psychiatrist, or from a multidisciplinary team (Clinical Psychologist, Occupational Therapist, Speech and Language Therapist, Social Worker, and/or Physiotherapist), for placement in an autism specific class in an ASD Unit. All applications in operation on a child should be provided to the school for assessment by the Admissions Team/Board of Management. The withholding of such reports from the Board of Management may invalidate an enrolment application at any time. Parents should note that under the official DES guidelines, the number of student places available in the ASD class is six students. It should be noted that fulfilling the enrolment criteria does not necessarily guarantee the student a place in the ASD Unit. The Board of Management requires that Parents must accept that the enrolment process only proceeds where the educational and physical needs of the applicants as identified can be met within the ASD Unit.

The Parents of the applicant must accept and agree to the Portmarnock Community School Code of Positive Behaviour and the terms of this policy

The ASD class at Portmarnock Community School will only cater for children that are 12 years or more, and less than 18 years of age, on the 1st of September of the school year in question.

## **Enrolment**

All applications for enrolment in the ASD Class will be considered within the context of the School's Applications to the ASD class will only be considered if the Student's needs fall within the specified category of special educational needs provided for by this class. It is important that Parents/Guardians note that Portmarnock Community School may in certain clarified circumstances and following an assessment and investigation, be unable to meet the special educational or physical needs of the applicant on the grounds that

- a) The applicant is deemed a risk, on health, safety, welfare or security grounds to themselves and/or other, or

- The Parents of a child being offered a place in the ASD Class will be invited to visit the school to meet with a member of the Special Education Team and the Principal/Deputy Principal of the school, to discuss the placement/enrolment of their child. Any information requested by the Parent will be provided at this meeting.
- The Parents may be requested to consent to a visit by a member of the Special Educational Needs professional staff at Portmarnock Community School, to visit the existing school placement of the student concerned in order to observe the student in a classroom situation.
- The Parents will be invited to accompany their child to visit Portmarnock Community School ASD Class and meet staff.

- Continue within the ASD Unit at Portmarnock Community School integrate fully into the mainstream post-primary
- Seek an alternative and more appropriate educational placement for the student as Portmarnock Community School is unable to meet the educational needs of the student.

In such an instance the support and assistance of the staff at Portmarnock Community School will be available to assist the family in securing a more suitable learning environment in another educational institution, for the student concerned.

All students including those with special educational needs are subject to the school Code of Behaviour and the terms of the Health and Safety Statement adopted by the Board of Management at the school. Where any student's behaviour impacts in a negative way on the other students in the ASD Class or the students in a mainstream class, to an extent that their constitutional right to an education is being interfered with, as judged by the Board of Management of the school, then the school reserves the right to advise Parents that a more suitable educational setting should be found for their child.

The Board of Management at Portmarnock Community School reserves the right of admission and to refuse to enrol a student, within the terms of this policy.
